Wait Times on Elections Day

On November 5, 2024, if you visit YavapaiVotes.GOV, and click on the Vote Center link, you will be able to see the **wait times** for all the in-person vote centers, using the new interactive map application.

With the ballot being two full pages, front and back, the time it takes to complete can be anywhere from 20 minutes, if you are prepared and know exactly who you want to vote for, or forty minutes if you are not prepared. So come prepared with who you want to vote for and ready to wait in line.

In Yavapai County you can vote at any vote center that is open, so pick the one closest to you, or find the one with the shortest line and get out and vote. The Vote Center Wait Time widget is updated every 30 minutes so check the site before you leave.

Go to YavapaiVotes.gov tomorrow (11/5/2024) and check out the map. If you have questions that the website doesn't answer, call 928-771-3248 ext. 8.
